DETAILED ACTION

Response to Arguments

1. Applicant's arguments filed 11/30/2004, with respect to the rejection(s) of claim(s) 1-56 have been fully considered and are persuasive. Therefore, the rejection has been withdrawn. However, upon further consideration, a new ground(s) of rejection is made as described below.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 10, 11, 14, 25 and 26 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

4. **Claim 10** recites the limitation "the location server" in line 2. There is insufficient antecedent basis for this limitation in the claim. **Claim 14** recites the limitation "the action" in line 1. There is insufficient antecedent basis for this limitation in the claim. **Claim 25** recites the limitation "the action" in line 1. There is insufficient antecedent basis for this limitation in the claim. **Claim 26** recites the limitation "the action" in line 1. There is insufficient antecedent basis for this limitation in the claim.

Note that claim 11 is rejected based on its dependence from claim 10.

Claim Objections

5. Claim 23 is objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form. Claim 23 recites the same limitations from the claim it depends on (i.e., claim 21).

Allowable Subject Matter

6. Claims 1-9, 12-13, 15-22, 24 and 27-56 are allowed. (Please note that the claims 10, 11, 14, 25 and 26 will be allowable once the 112 rejections/objections are corrected).

Conclusion

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

8. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).
